GENERAL ASSEMBLY
Forty-sixth session
Agenda item 68
REVIEW OF THE IMPLEMENTATION OF THE
DECLARATION ON THE STRENGTHENING
OF INTERNATIONAL SECURITY

SECURITY COUNCIL
Forty-seventh year

Letter dated 6 May 1992 from the Permanent Representative of Canada to the United Nations addressed to the Secretary-General

Canada has taken note of the Declaration by the representatives of the people of the Republic of Serbia and the Republic of Montenegro on 27 April 1992 announcing the creation of the Federal Republic of Yugoslavia.

The Government of Canada wishes to place on record its view that the current participation of representatives of the Federal Republic of Yugoslavia in the United Nations General Assembly and other United Nations bodies is without prejudice to the eventual determination of the status of the Federal Republic of Yugoslavia. As you know, the Conference on Yugoslavia is currently addressing the issues of the continuity to and succession of the Yugoslav State.

I would be grateful if you would arrange for this letter to be circulated as a document of the General Assembly, under agenda item 68, and of the Security Council.

REVIEW OF THE IMPLEMENTATION OF THE DECLARATION ON THE STRENGTHENING OF INTERNATIONAL SECURITY

Letter dated 6 May 1992 from the Permanent Representative of Turkey to the United Nations addressed to the Secretary-General

In view of the recent proclamation of the establishment of the Federal Republic of Yugoslavia by two of the former Republics of the Socialist Federal Republic of Yugoslavia, the question of the new State's representation in the United Nations requires consideration.

I have the honour to inform you that the participation of Yugoslavia under its present status in meetings of the United Nations does not prejudice Turkey's position regarding the representation of that country in the United Nations.

I shall appreciate it if this letter is circulated as a document of the General Assembly under agenda item 68.

REVIEW OF THE IMPLEMENTATION OF THE DECLARATION ON THE STRENGTHENING OF INTERNATIONAL SECURITY

Letter dated 6 May 1992 from the Permanent Representative of Hungary to the United Nations addressed to the Secretary-General

In connection with the "Declaration of the representatives of the people of the Republic of Serbia and the Republic of Montenegro" of 27 April 1992, Hungary is of the view that such a unilateral statement does not create a legal basis for a decision on the continuity of the membership of the defunct Socialist Federal Republic of Yugoslavia in international organizations. In its opinion, the settlement of the question of continuity should be based upon the agreement of all successor States of the former Socialist Federal Republic of Yugoslavia and only such an agreement can form the basis for any decisions to be taken on the question of representation of the Federal Republic of Yugoslavia in international fora, including the United Nations. Accordingly, Hungary believes that any procedural arrangements that the United Nations may follow in this regard in the interim should in no way prejudice its position on the question of the status of the Federal Republic of Yugoslavia at the United Nations.

I should be grateful if you would arrange for the present letter to be circulated as a document of the General Assembly under agenda item 68.
